2015-2016 Dance Students

Ariadna is from Spain. She will be 15 and in the 11th grade when she arrives. She would like to come to America for the 2015-2016 school year. Ariadna lives with her mother, father and 2 younger sisters (3 & 11). She loves animals and has a dog. Her father is a customs agent and her mother is a secretary. Ariadna enjoys attending concerts, attending the theatre, drama, drawing, listening to music, painting, photography, reading, singing (choir) skiing, social dancing, visiting museums and volleyball. Ariadna has taken years of rhythmic gymnastics and is interested in learning about cheerleading. Ariadna adores the theatre and movies. She has drama classes once a week for 2 hours. Her chores at home are to clean her bedroom, take out the trash, pick up the table, and take care of her dog. Her favorite subjects in school are biology because she loves nature and arts because she loves to paint. After high school she would like to be either become an actress or a cardiac surgeon. She describes herself as adaptable, extroverted, flexible, friendly, open, optimistic, polite, responsible, sociable, studious, and tolerant. Ariadna would like to come to the U.S. because she wants to learn about the culture and because she loves the English language and wants to improve in speaking it. She knows the English language and her stay in America will be very important for her future. Ariadna loves meeting new people so she is looking forward to coming to America and meeting her host family and knows it will be a very good experience.

Elena lives in Spain. She is 15 and will be in the 11th grade when she arrives in the U.S for the 2015-2016 school year. Elena lives with her mother, father, sister (16), brother (13), and their dog. Her father is a lawyer and her mother works as a civil servant.. She likes baseball, cooking, baking, fishing, going to the movies, hiking/ backpacking, photography, sailing, skiing, tennis, watching TV, and windsurfing. Elena is in athletics and does cross country, high jump, and triple jump and is something she would like to continue when in America. She spent 2 years learning circus acrobatics, contemporary dancing, and gymnastics and she really enjoyed it. Elena's chores at home are to clean he room, and to help around the house whenever she is asked to. On her free time, Elena likes to cook desserts such as cakes, cupcakes, and biscuits. Her favorite subjects are economics and biology because she finds them interesting and useful. In addition to English, Elena also studies French. Elena doesn't know exactly what career she wants to pursue after high school, but it will most likely involve biology, history, or economics. She describes herself as caring, friendly, independent, open, polite, responsible, sociable, spontaneous, and talkative. Elena wants to come to the US to improve her English skills, to experience an American high school, and to learn more about t a new culture and meet new people.

Katharina is from Germany. She is 14 and in the 9th grade and she will be 15 and in the 10th grade when she arrives. She would like to come to America for the 2015-2016 school year. Katharina parents are divorced. She lives with her father, little sister (12), and brother (13) . Her father is a machinist and her mother is a task manager. She enjoys attending concerts, drawing, painting, and visiting museums. She loves reading fantasy books and watching TV, mainly comedy series. Katharina listens to music every day and really enjoys musicals and theater shows. She is not currently playing a sport, but she has tried ballet which she did for 7 years, modern dance which she did for one year as well as tennis, golf, and badminton. Her chores at home are to clean her room and wash the dishes. Katharina's favorite subjects in school are English because she can improve her English and Sports because she is glad that after sitting in a chair all day she can finally move. In addition to English she studies French. She describes herself as adaptable, flexible, friendly, independent, neat, optimistic, patient, polite, responsible, sociable, spontaneous, and tolerant. Katharina would like to come to America to improve her English and learn more about the American way of life.
