Welcome Our New Director

We would like to welcome and introduce you to our newest theatre faculty member, Shannon Tipton. Mrs. Tipton is excited to be part of the Red Dragon Players. She is a twenty-year veteran of education and theatrical production. During that time, she has taught in environments ranging from an elementary classroom in a migrant-working community to a university lecture hall in the Coastal Bend. Ms. Tipton earned her MFA in Theatre Design from Texas Tech University where some of her favorite designs included CAT ON A HOT TIN ROOF and YOU CAN'T TAKE IT WITH YOU. She is a scenographer and enjoys all elements of technical theatre. Tipton was part of the state-recognized theatre program at Rogers' High School, where four UIL One-Act entries advanced to the state meet in as many years, including two state championships (2002, 2005) and a First Runner Up (2004). She has designed professionally for the Angel Fire Mountain Repertory Theatre Company and the Harbor Playhouse. Ms. Tipton is committed to the education and development of well-rounded theatre artisans. In her free time, she enjoys traveling and cooking with her husband.

Ms. Tipton has jumped right in with us this year, volunteering to direct our novice production. We are really glad to have her with us and hope you enjoy this production.
