**Director's Notes**

Of all the plays in David Mamet's body of work, *Sexual Perversity in Chicago* seems to be the one that elicits the most divergent responses. Some shrug it off as a curio piece. Some dismiss it as just a raunchy comedy. For me, the play has always been about the love story at the center, and how the forces outside of Dan and Deb's relationship - their damaged friends, the sexual permissiveness of the era, and the loneliness of the city - threaten their chances for a future together. For all its coarseness and frank sexuality, *Sexual Perversity in Chicago* depicts Dan and Deb's love in singularly tender and innocent way.

**Dedication**

This production is dedicated with affection to Joe S., a theatre guy I used to drink, talk, and hang out with when I was in my early twenties...and to all the other older guys I knew back then, whose romantic advice I was smart enough not to take.

**Paladin Theatre Company's next production will be:**

**EARLY GIRL** by Caroline Kava  
a new look at the oldest profession  
with

**KEYLEE PAIGE KOOP and WENDY ZAVALETA**  
**July 29<sup>th</sup> to August 22<sup>nd</sup> at the Salvage Vanguard Theater**
